Re: Application for Project Change/Amendment to an existing Comprehensive Permit
48 Burns Avenue

Date: December 9, 2020

In regards to the above-mentioned Project Change/Amendment, the Board of Health at their December 8, 2020 meeting noted that some of their comments from the June 18, 2019 meeting were addressed. However, they would like to reiterate that they are concerned about the proposed construction within the 100' buffer zone and that all their additional comments from previous meetings pertaining to safety around proper outdoor lighting, sidewalks, traffic control, and stoplights remain in effect.
